Reviews of the **Marvin Redpost : Super Fast, Out of Control!** *by* Louis Sachar

Balladolbine

this is a great series, it got my fourth grader boy out of a reading rut. Once he started reading, he was hooked and finished the series in a few days.

Minnai

My little girl read #8 right before she summer break. She asked me to order her another one, and when she devoured that one in a day, I ended up buying the rest of them. She has read them all now and wishes there were more. They are great books for children who are just beginning real chapter books :)

Louis Sachar books are great for kids who love comedy or funny stories. I had a kid who hated to read but he loves these books.

Funny duck

These books are great for kids who are picky or have difficulty getting into books and love comedy.

KID'S REVIEW: I didn't like this book because it was weird in a lot of ways. But it does have a lot of funny parts.
