Category:	Churches & Church Leadership

Church leadership is a demanding and challenging role. There are many responsibilities involved in leading a church, which can be difficult to maneuver without the proper tools and resources. Written with Bible-based truths and helpful insights, Foundations of Church Administration is both an exploration of those responsibilities and a practical guide to navigating through them. Each chapter is authored by a notable expert in the field who, with sound experience and effective steps, helps church leaders efficiently succeed in the many facets of their responsibilities. In this honest exploration, church leaders will find a new perspective on church administration that will help them dig deeper and develop a long-lasting and effective practice of leading and administering a church.

Reviews of the [Foundations of Church Administration: Professional Tools for Church Leadership](#) by Bruce L Petersen, Edward A. Thomas, Bob Whitesel

SadLendy

This is a great resource on Church Administration. It covers many critical subjects and provides solid advice with regard to the part of ministry that is almost always neglected in ministerial training. From finance to human resources to law to governance, this book addresses the array of potential problems that can arise in any church or faith-based organization. This is a must for every church library and every clergy's personal collection of pastoral resources.

Wenyost
