You Might Be A Redneck if...

You use a fishing license as a form of I.D. Your screen door has no screen. You've been on TV more than once describing what the tornado sounded like. You have a black eye and a hickey at the same time. You ever waved at traffic from your front porch wearing just your underwear.

Containing more than 2,000 entries with more than 200 illustrations, You Might Be A Redneck if... This Is The Biggest Book You've Ever Read will be a must-own book for die-hard fans of Jeff Foxworthy. Creatively packaged and attractively priced, this book also features more than 1,500 entries that have never been published in book form.
