Category:	Politics & Government

In this study of the breakdown of traditional party loyalties and voting patterns, prominent comparativists and country specialists examine the changes now occurring in the political systems of advanced industrial democracies.

Originally published in 1985.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
